Dated, Thiruvananthapuram, 01.11.2012

Read:-1)GO(Ms)No:271/2012/HEdn Dated 7-7-2012

2)GO(Rt)No:2179/2012/HEdn Dated 10-10-2012

ORDER

As per GO read above Government have acorded in principle approval for the Preliminary Project Report of the State Skill Development Project. An Empowered Committee headed by the Chief Secretary,with administrative and financial powers within the approved Preliminary Project Report was also constituted to implement the Additional Skill Acquisition Programme. Based on the decisions of this Empowered Committee following activities have been completed.

2) Curriculum for training the students has been developed for the Level -One of Additional Skill Acquisition Programme and it consists of the following: All the students have to undergo 100 hours of Communicative English Module which is prepared by the Curriculam Committee created for this purpose and vetted by experts from industry. Students also have to undergo 80 hours of training in Information Technolgy which is also prepared by the respective Curriculam Committee and vetted by experts from industry. Building on the foundation module of Communicative English and Information Technology, the sector wise skill will be imparted through the industry associations/institutes/approved skill providers. So far, Government have entered Memorandum of Understanding with National Association of Software and Service Companies (NASSCOM) and Association of Cost and Works Accountants of India (ICAI) to impart training on their Global Business Foundation Skills and Certified Accounting Technicians courses respectively. New sectors will be added as soon as Government enters into MoU with respective skill providers.

3) The Programme Mangers for the proper management of the programme have been selected from the vocational Teachers of Government VHSE. They were selected through two levels of process which include testing their presentation with an interview to assess their aptitude and IT proficiency. They have also undergone a Transformational Training Programme at Indian Institute of Management ,

Kozhikode. After the successful completion of this training, these vocational teachers were posted on working arrangement from their parent department in respective educational institutions.

4) Skill Development Executives to impart training on Communicative English and Information Technology were selected through the NAC test of NASSCOM and business interviews in which experts from industry also participated. The selected Skill Development Executives were also given Transformational Training Programme by the faculties selected from industry at Thiruvananthapuram.

5) The institutions where the ASAP programme is to be launched are the Higher Secondary Schools selected by the Honourable MLAs from the Higher Secondary Schools from their respective constituencies and also Government Colleges. Based on the availability of Programme Managers and the Skill Development Executives, the first phase of the training programme will be started from 6th November 2012. As a prelude to this, Honourable Minister for Education convened a meeting of MLAs and Office bearers of Teachers Organisation both in Colleges and Schools and presented the project. All of them have welcomed the project and have extended all support to the project. The Honourable MLAs have also offered to provide list of interested and competent professionals from their constituencies to be considered for the position as Skill Development Executives based on their performance in the NAC test and aptitude tests.

6) Instructions have been issued to all Programme Managers for ensuring infrastructure in the institution and student selection audit. They were also asked to give wide publicity for the project in the locality and among students, teachers and parent community as well. The first phase of Additional Skill Acquisition Programme will be launched on 6th November 2012. The details of the institutions and its Programme Managers and Skill Development Executives is attached.
