ORDER

As per the proceedings read 1st above, provisional seniority list of combined cadre of Programme Managers has been published and called objections/rectifications on the same within 15 days from the date of the order. Appeals / objections on the seniority have been received.

One of the main objections is the seniority list shall be based on the joining date of Programme Managers in the stations. It is also objected that in the case of certain generations, there were directions to join duty within a stipulated date and the seniority of Programme Managers who joined within the date to be fixed based on the joining date.

The above objections regarding joining date have been examined in detail. All Programme Managers in the different generations were selected and appointed in the organisation after a rigorous selection procedure and a rank list were prepared based on their ability and merit for appointment. The postings were given to the programme managers across the state from the Head Quarters. In every system there should be certain period as joining time in order to relieve from former job, preparations for join new service and for travelling time. Unfortunately there was no such standard joining time was mentioned in the appointment order to Programme Managers while giving posting. The joining time given to different generations of recruitment are different. In certain cases there were no formal communication. In the case of certain generations it were directed to join duty in the very next day itself. In such cases those who were posted in distant stations could not be join with in the stipulated period. In the circumstances mentioned above the joining time to be standardized to every batches. Hence it is decided to fix 15 (fifteen) days as standard joining time to all generations of Programme Managers to join duty with retrospective effect. Therefore it is decided to fix the joining period for different generations as below .

Generation	Date Considered	Last date (15 days joining time)	Remarks
2G	16-01-2013	31-01-2013	Induction Last Date

6G-2	10-10-2015	25-10-2015	Communication Date
7G-1	02-11-2016	17-11-2016	Induction Last Date

As such those who are joined duty within the period mentioned above will be eligible for seniority in the ranked list. Those who are joined service after the above joining time will be eligible for seniority from their actual joining date.

Certain objections have also received stating that probation of junior in ranked list who joined before senior will complete, earlier than that senior. Hence it is argued that the junior to be placed above the senior. All Programme Managers in the organisation are appointed on contract basis initially for one year to assess their performance and based on which their extension is being considered. This initial one year is considered as probation period. If the service of a Programme Manager found unsatisfactory he/she shall be terminated from service without extending further contract. Therefore variation in completion of probation in the above instance have no relevance in seniority. Moreover, it is a combined list of the Programme Managers not a category wise list.

Certain Programme Managers demanded outstation service and field experience shall be given priority in seniority. Since, all the Programme Managers are appointed to perform duties in different stations in the state the above objection could not be considered.

Objection have also been received in individual cases also. Smt. Diana Thankachan has represented that she is in the 1st position instead of 2nd position in the provisional list. The employee in the 1st position has concurred the appeal. Sri. Rishu Abraham has represented that as directed by organisation, he reported for case study on 11.10.2014. After submitting the case study report he took leave .He rejoined duty on 10.11.2014 as per the posting order given by government . Therefore he has requested to fix his seniority in the date on which he reported for case study, ie 11.10.2014. It is noted that he took LOP for personal purpose after joining duty. Therefore he was treated as new entrant on rejoinig duty. Hence his request is not considerable. Certain Programme managers have raised objections regarding correction in date of birth and joining date mentioned in this list; which have been verified and corrected. Certain Programme Managers have raised objections without any substantiating documents, which could not be considered

Accordingly the seniority list of the Programme Managers for the period from 01.01.2013 to 31.12.2018 is hereby finalised.
