ORDER

The Empowered Committee for the Additional Skills Acquisition Programme (ASAP) held on 5-10-2012 suggested following guidelines for the selection of students for Additional Skill Acquisition Programme.

A Student Selection Committee consisting of

1. Principal of the School/College
2. ASAP Faculty Coordinator for the School/College
3. Programme Manager of ASAP

shall examine the background, aptitude for skills and conduct personal interviews if necessary to select the students.

In selecting the students, care has to be taken to ensure that students who have already decided to adopt a specific career for themselves e.g. Teaching/Research in any subject/Professions like Law, Medicine, Engineering etc. are discouraged from joining the courses.

There might be a tendency for students who do not have a real aptitude for acquiring an extra skill to join the course simply viewing the same simply as an extra-curricular accomplishment. Such a tendency should also be discouraged.

Government have pleased to accept the guidelines and ordered accordingly.
