

GOVERNMENT OF KERALA

Abstract

Higher Education Department - Additional Skill Acquisition Programme- Payment and Receipt of Fees – Foundation and Skill courses of ASAP - Skill Year 2015-16– Approved - orders issued

HIGHER EDUCATION (C) DEPARTMENT

G.O.(Rt)No. 1529/2016/HEDN Dated,Thiruvananthapuram,13/06/2016

Read:

- 1) GO(Ms) No. 546/2012/H.Edn dated 03.11.2012
- 2) GO(Ms) No. 559/2012/H.Edn dated 16.11.2012

ORDER

Government are pleased to approve the revised fee-structure and procedures for fee payment ,applicable to the foundation courses and skill courses of ASAP , pertaining to Skill Year 2015-16 .

The Incentive –Linked fee structure as constituted by the GO read 1st , will continue to be in operation . Students will be grouped in two categories as per the practice followed in the previous year. Of this , students from the BPL* , SC,ST, SEBC families or who are physically challenged and two exempted general students by District Level Committee will form the Category –I and those General category students [who fall outside Category-1] will form the Category-2 of ASAP.

[* For this purpose , the BPL Certificate issued by the Village Officer /List maintained by Local Body/Rationa Card Entry will be considered as the Certificate of economic backwardness to determine whether the student is from a BPL family.]

Category 1 students need not pay the Incentive-linked fee during the period of study. However , if students of this category do not successfully complete and pass the course , they have to pay the entire fee within a specified period (3 years for students in UG courses and 5 years for students in Higher Secondary courses.)

Category 2 students will have to pay 75% of the entire fees (Foundation and Skill) during their period of study in monthly instalments . Such students who successfully complete the course will get an incentive of 25% of the total fee and they will be exempted from payment of this portion of the fee. However , if such students do not successfully complete the course , they will have to pay the unpaid 25% of the fee within a specified period (3 years for students in UG courses and 5 years for students in Higher Secondary courses) .

Successful completion of the course means attending not less than 80% of the class transaction hours , appearing for all exams , attending all internships , wherever provided and submitting all assignments and project-works stipulated as part of the course requirements.

Students selected for courses and who are liable to pay fees during the term of study should remit the first instalment at the time of joining.
