Additional Skill Acquisition Programme (ASAP) under the Higher Education Department, Government of Kerala implemented effective online strategies to assist educational institutions in Kerala to resume and maintain the momentum of the learning process and other academic activities during the nationwide lockdown. For this, ASAP associated with the Universities and Department of Technical Education, and provided an online platform for the transaction of the regular classes.

The direction issued vide Government Order, referred as 2 above requested Universities to partner with ASAP in the webinars and online classes for college students. Online live classes handled by experts were conducted by ASAP with an aim to cover the unfinished portions, and were scheduled in the months of April and May 2020 with separate time slots for students from different streams. ASAP also organized Webinars by inviting academic and industry experts from India and abroad to present on relevant topics relating to skill development.

ASAP appreciates the faculty members and the webinar resource persons who voluntarily associated with ASAP. The faculty members and resource persons of webinars listed in the Annexure to this order are issued with a 'Certificate of Appreciation' in this regard.
